

The Alfresco Factory ovens come in a range of **5 different colours**. Please use the following colour swatches and pictures as a guide for choosing your render colour.

*Please remember that this is a guide only. Colours may appear to be different depending on the light in which the photo was taken, and whether the render was fully dry. Render colours will lighten as your render dries.*

# NATURAL

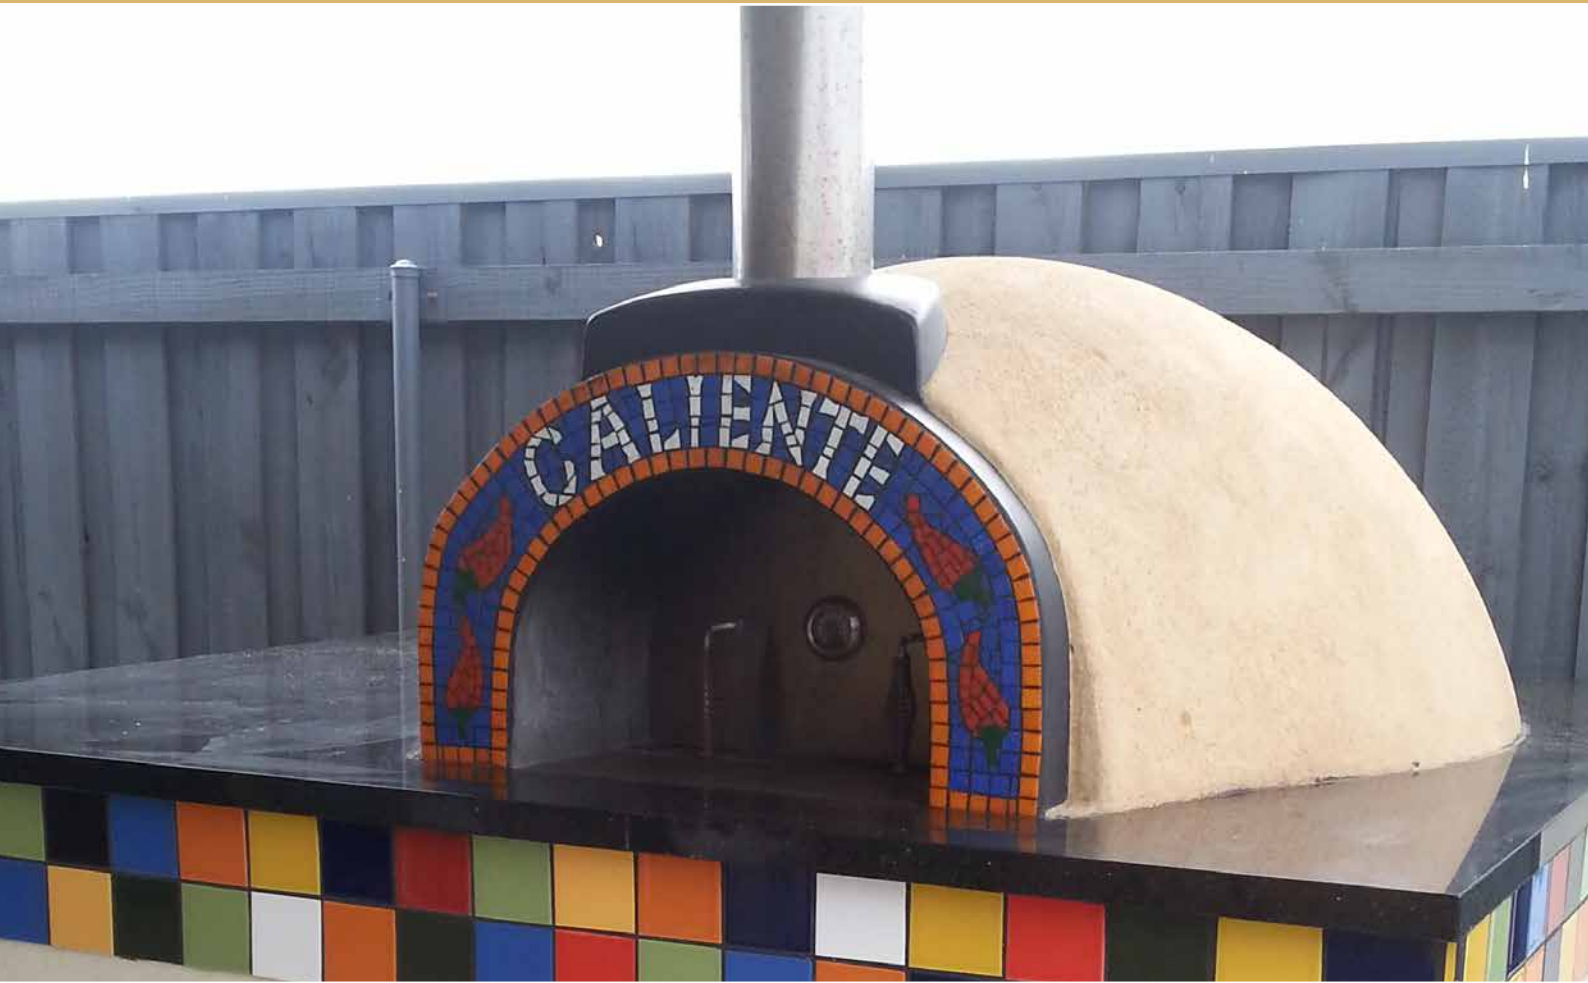

# MARIGOLD

# TERRACOTTA

# SANDSTONE

# CHARCOAL
